SUMMARY

Self-taught web developer and online educator from Pakistan. Founder of Tutoronpro, a live online tutoring marketplace, and Quran Online Mentor, an online academy serving students worldwide. I have built and deployed 14+ production websites with modern hosting, SEO and analytics, and I have taught online for 7 years. I am looking for a remote web developer role where I can ship fast, clean and search-friendly websites.

CORE SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6), responsive design
Backend & Platforms	Cloudflare Pages, Pages Functions, Cloudflare D1, REST APIs, JSON-LD, XML sitemaps
SEO & Analytics	Technical SEO, on-page SEO, Google Search Console, Google Analytics 4
CMS & Content	WordPress site management, automated daily content publishing
Media & AI	AI-assisted short-video production, YouTube Shorts, scriptwriting, subtitles
Tools	Git & GitHub, Canva, WhatsApp Business, Zoom, Google Meet

EXPERIENCE

Founder & Web Developer — Tutoronpro Oct 2026 – Present

tutoronpro.com — Online tutoring marketplace

- Built a live tutoring marketplace from scratch: tutor/student registration, Google and email login, role-based dashboards, coin-based payments, email verification and an admin panel.
- 87 SEO-optimized pages (one per subject), sitemap, structured data and analytics; ranking work in progress.
- Run the Tutoronpro YouTube channel: tutorials and two Shorts a day.

Founder & Online Teacher — Quran Online Mentor 2019 – Present

quranonlinementor.site — Online Quran academy

- Teaching the Quran online one-to-one for 7 years to students worldwide, kids and adults: Noorani Qaida, Nazra, Hifz, Arabic, Translation and Tafseer.
- Built the academy’s website and admission flow, including a 3-day free trial programme.

Freelance Web Developer 2026 – Present

- Designed and deployed client websites, including a Quran teacher’s website, and a browser-based video meeting app with screen sharing.
